Sportsmanship Rule

To avoid games ending with lopsided scores, Area 10W Board of Directors, which is composed of the nine Regional Commissioners, is instituting a sportsmanship rule for the Area Playoffs Tournaments.

When a team is ahead by five goals (goal differential), the coach of the leading team shall make adjustments to dissuade his/her team from scoring. There are many methods. The leading coach shall use his/her judgment to accomplish the task. For example:

- Put the goalkeeper (GK) in as striker and switch with the team's best player as GK.
- Let the team's weaker players play the rest of the game and put them in as strikers and mid-fielders.
- Tell the players to play three touches or two touches.
- Put the stronger players as defenders and tell them do not cross the halfway line into the opponent's half.
- If the team is still scoring, have stronger players stand at the touch line by the halfway line next to the coach. If the opponent begins to score and dominate the game. Let the stronger players go back into the flow of the game. The goal of the winning team is to protect a shutout win but not to piling on scores. Any other techniques the coach can think of except playing keep away. The leading team shall not stop attacking if opportunity occurs but must use weaker players who may deserve a chance to score.

The referee team and/or Area 10W staff will notify the winning coach to pull back. The referee team is instructed to file a game report of any game with more than 5 goals differential. Abuse of the Sportsmanship Rule may result in the team not being considered for participation in Section 10 Playoffs.

Coach,

This is just a 'Friendly Reminder' that after reviewing the game cards from this past weekend of play, a referee report was submitted to Area Staff regarding your team, coach or sideline.

The most common reasons for receiving a report are running up the Score (ahead by 5 or more goals), not following the AYSO 3/4 play rule, or Player/Coach/Spectator/Sideline behavior.

As outlined in the Area10W Operating Procedures, and explained during the coaches meeting, only ***Eligible Teams*** will be invited to the Section 10 Tournament in Bakersfield California.

All referee reports will be reviewed and taken into account as part of the final selection of Teams who win their division.

Depending on the severity and number of reports, this can and will affect selection as to which team will represent Area10W.

Please consider this for the remainder of the Tournament.

Thank you,
Area10W Staff
