TOURNAMENT SAFETY*

Welcome to AYSO Area 10-W Playoffs! It is my goal to ensure a **SAFE** playing environment for all of the teams and volunteers participating in this tournament. As most of you are on this field for the first time this season, I ask you to take a moment to familiarize yourself with your surroundings. Please make note of any field obstructions, malfunctioning equipment or other safety hazards and report them to headquarters, or if possible directly to me. Remember, prevention is key, but if injuries do occur, report them immediately. Please be aware that this year we do not have an EMT on site, we will be calling **9-1-1** for any incident requiring medical aid. The Ventura County Fire Department is just down the road and can respond within mere minutes. As always I thank you for your contribution to the organization and most of all the KIDS. Without volunteers like you, AYSO does not exist. **Have a SAFE, Fair and Fun Tournament!**
